**SPECIAL FILMING CONDITIONS
MELROSE AVENUE**

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The popularity of the "trendy* part of Melrose Avenue has created a number of serious parking problems on Melrose Avenue as well as the side streets to the north and south. To help mitigate the impact of filming on this area, the following Special Filming Conditions now apply.

- **Affected residents/merchants/businesses must be notified at least two (2) days prior to first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*
- **Posting on Melrose Avenue should be kept to a minimum and will require a Filming Survey of all affected merchants.**
- **Posting on residential streets which run north and south of Melrose Avenue will be limited to the area between Melrose Avenue and the alleyway . Requests to post beyond this area will be reviewed on a case-by-case basis, and will require a Community Survey.**
- **Cast and crew are not permitted to park on area streets.** *Off-street parking must be provided.*
- **Since permanent signs prohibit parking on the west side of Gardner Street (north of Melrose Avenue), parking/posting can only be allowed on the east side and should be limited to the area between Melrose Avenue and the alley.**
